

H. B. Baxter Enters Race For Mayor Of Pahokee

H. B. Baxter, native son of Pahokee, entered the race for mayor in Tuesday's city election with a surprise announcement 15 minutes before the deadline Saturday night.

H. B., born 27 years ago at Section 31, has been a resident of Pahokee all of his life except for the 22 months he served in the Army. He was recently released from the service after 14 months in the Pacific area. He graduated from Pahokee High School in 1940 and is a charter member and past excited ruler of the Pahokee BPOE Lodge. He is also a member of the Lions Club and Fred and Percy Mansfield Post 90, American Legion.

In commenting on his candidacy for mayor Mr. Baxter said, "Pahokee is the only home I have ever known and I want to help put it in its rightful place as one of the most progressive and beautiful small cities in South Florida. In the mayor's race I'm not interested in splitting votes—I'm out solely to win and if elected I'll devote my full attention and energies to serving the people as a whole and not cater to any individual or individual groups."

The first regular meeting of the newly organized Pahokee Post 4180, Veterans of Foreign Wars, was held in the city hall last night with Charles E. Morris, Tampa, State VFW Commander, present to assist in getting the post off to a good start and install new officers.

V. McClelland, chaplain; Slater Brewton, surgeon and officer of the day; Calvin Spooner, patriotic instructor; James Hawkins, historian and service officer; Lee Rawls, legislative instructor; E. A. It is estimated that there are approximately 400 veterans in the Pahokee-Canal Point area who served outside of continental United States during the war and are eligible to join the organization. It is planned later on the men from 1480 after one of the men from this area who died in action during the war.

Date Changed For Cattlemen's Field Day To May 16th

Cattlemen's Field Day at the Everglades Experiment Station will be on Thursday, May 16. The date had been tentatively set for May 9 but due to conflicts with two other meetings of interest to farmers scheduled for May 9 the staff at the EES decided to postpone the cattlemen's field day until the following Thursday.

The field tests have been completed and the steers are ready for inspection. Grass plots are in good condition and are certain to attract a lot of attention. Some weed control plots will be shown and there will be a number of other items of interest.

Dr. Kidder, head of the animal husbandry department, will have on display a pen of purebred Brahama heifers and the Afrakander bull acquired by the station since last year. Veterans Will Hold Special Meeting On Monday, May 6th

All veterans interested in obtaining lots and homes in the Pahokee-Canal Point area are invited to attend a special call meeting in the city hall on Monday, May 6, at 8 p. m. This meeting is being called by Claude Jones, head of the local Veterans Service office, who is prepared to answer all questions that veterans may bring up regarding how they can get a desirable residential lot and build a home or if they already own a lot what procedure to take in getting a home built. The cost of buying a lot and building a home will be estimated and the best way of financing it will be explained.

The veterans' proposed new subdivision off Barfield Highway will be discussed further at this meeting and a just system of priority will be worked out whereby married veterans' most urgently in need of new homes will have first chance to purchase the 32 lots in the new subdivision. Steps will also be taken at the meeting to make the new subdivision an ideal residential section.

This will be an open meeting and all non-veteran citizens who are interested in this project are also invited to attend and take part in the discussion.

Pahokee Lions Elect Officers

Duncan Padgett was elected president of the Pahokee Lions Club at the annual club election held during the luncheon meeting Tuesday. Other new officers elected for the coming year were: Edward A. Jensen, first vice president; C. A. Batchelor, second vice president; L. V. McClelland, third vice president; I. J. Frasure, Jr., secretary and treasurer; Leon Spooner, Lion tamer; Earl A. Lindrose, tall twister; I. M. Lair and Lewis Friend, directors.

Frank Rozelle was asked to represent the club at the next meeting of the City Council and recommend that the city operate on daylight saving time. The club voted to observe daylight saving time, starting with its next luncheon meeting. In response to a request by Rev. J. R. Heller, the group voted to attend in a body the revival service at the Canal Point Baptist Church on Wednesday night.

Dr. Ronald R. Long, a visitor from Fort Lauderdale, announced that he was planning to open a dentist's office in Pahokee as soon as suitable office and living quarters are available. H. B. Baxter and Frank Gillis were visitors.

R. J. Schroder, accompanied by Judge Gedhill of Belle Glade, attended an IOOF Lodge meeting in Okeechobee Friday night.

Greater Interest Shown In Pahokee City Election

Mounting interest is being shown in the Pahokee city election to be held at the city hall on Tuesday, May 7, as the candidates enter the home stretch of their campaigning. Officers to be elected include the mayor; the city marshal (more popularly known as chief of police), three councilmen and the city clerk.

H. B. Baxter, a newcomer in the hot race for mayor, managed to get under the wire just before the Saturday midnight deadline. The campaign issue in this year's election centers around the need for a more progressive and efficient government that will lead Pahokee out of the doldrums. As a voter it is your duty to go to the polls Tuesday and carefully choose the men whom you think are best fitted to do this job.

The slate of candidates in alphabetical order is as follows: For mayor, H. B. Baxter, R. S. Douthitt, Jr., John A. Dulany, T. C. Richardson and Frank Rozelle; for city marshal, Albert Gant, A. E. Morgan and B. W. Wood; for city council, group one, I. J. Frasure, Jr., and Frank M. Shaughnessy; for city council, group two, A. I. Davis, Don Hillier and Horace Unwin; for city council, group three, I. M. Lair; for city clerk, W. P. Walker.

The polls will open at 8 a. m. and close at sundown. On the election board are Rev. T. A. Ferguson, clerk, Edna Pickett, J. B. Elliott and Rhoda Shive with Hulet Denton, Ora Powell and Alice Ramey, alternates.

Veterans To Buy 10-Acre Tract For Homesites

At a special meeting of the Veterans Progressive Organization in the city hall Friday night action was taken to obtain homesites for veterans in the Pahokee-Canal Point area. Approved as a desirable location was the committee's selection of a 10-acre tract lying one block east of Barfield Highway opposite to Lair Athletic Field.

It was decided to have a board of trustees purchase this 10-acre tract from the Okeelanta Plantation Company for \$10,000 and divide it into 32 lots, 75 by 150 feet, which will be available to veterans desiring to build homes within the next few months at a cost of approximately \$325 per lot.

A West Palm Beach finance company has offered to extend veterans loans up to \$10,000 for the actual building of the homes, provided 10 or more homes are under construction at one time. Any veteran in the Pahokee-Canal Point area who owns a residential lot is eligible to apply for this loan. All applications will be received and information regarding the loan will be given by Claude Jones, head of the Veterans Service office in the city hall.

It is the plan of the veterans to make their proposed subdivision a model residential section of Pahokee, complete with paved streets, curbs and drainage gutters, spacious sidewalks and tree plantings. John T. Pickett Sr. will survey the land and divide it into lots.

Mrs. H. J. Anderson entertained at dinner Monday night honoring her husband on his birthday anniversary. Guests were Mr. and Mrs. Olaf Roe and son, Skeets, Mr. and Mrs. Hugo Roe and son, Robert, and Mrs. Buchanan.

Newspaper Circulations Up

It has been the fashion with certain of the nation's politicians and others, with whom they frequently differ, to make a whipping boy of the nation's newspapers, low-rating their influence, berating them for their alleged mistakes, and claiming that, after all, newspaper circulation is dwindling and is failing to keep pace with the growth in population. The great bulk of these barbs stem from those who have been exposed by the press or have failed in their efforts to control it. This is true of the nation's great dailies, and it is true of small-town newspapers.

Circulation figures might be taken as an indication of the increase or decline of newspapers prestige. During the past week Editor and Publisher, a leading publication circulated among editors, did a little deviling among audited statements on circulation for the past 25 years.

It found that during the last five years, population increased 4.8 per cent, and daily newspaper circulation grew 17.6 per cent with a pretty good bet that the circulation of small-town weeklies and semi-weeklies advanced proportionately.

During the 1920 and 1945 period, population increased 24.8 per cent, while daily newspaper circulations rose 74 per cent. Newspaper circulation growth has far outstripped population increases. No nation on earth has as good a press or as free a press as the United States. In no other nation are the people as well informed on current affairs—thanks to a virile and fearless press. The newspaper industry doesn't worry too much about criticism, but its critics should come nearer sticking to the truth. Titusville Star-Advocate.

Reeves-Graves

Mrs. Inez Graves of Thomasville, Ga., and James L. Reeves of Pahokee were married in the garden of Mr. and Mrs. C. A. Kolstad at Pahokee on Sunday, April 28, at 5 p. m., with Rev. Carl A. Moberg, pastor of the First Baptist Church, reading the vows at the single ring ceremony. Miss Gwenette Reeves, daughter of the bridegroom, and Albert Graves, son of the bride, were attendants.

The bride wore a pastel blue street-length dress with navy blue accessories and a corsage of pink sweetheart and tube roses. Miss Reeves was attired in a chartruese and black ensemble with black ac-

cessories and her corsage was of white gardenias.

Following the ceremony a buffet supper including a beautiful bride's cake was served to the bridal couple and 20 other guests. Mrs. Angus Ryan of Pelam, Ga., sister of the bride, was an out-of-town guest.

Before her marriage the bride was employed as auditor for a bus company. Mr. Reeves was recently discharged from the Navy after three years and seven months in the service. He is now employed by the U. S. Sugar Corporation.

B. A. McClown and Dr. Taylor of Orlando were business visitors here on Wednesday.

Last Rites Held For Mrs. Helen Allen

Mrs. Helen Allen, 25, a former Pahokee resident, died at Augusta, Ga., early Tuesday morning, April 30, following a long illness.

Mrs. Allen, niece of Mrs. Walter Boatwright and Raymond Christian of Pahokee, was well known to residents of this area and made many friends during the five years she lived here. Before going to Lyons, Ga., about a year ago she was employed at Bolton's Drug Store.

Survivors include the husband, Ralph Allen Lyons, Ga.; and two brothers, Hilburn Murphy of Pahokee, who was recently discharged from the service after 4 years in ETO, and Pvt. Tunney Murphy who recently arrived home from Japan on emergency leave because of his sister's illness.

Funeral services were held at the Baptist Church in Lyons, Ga., on Thursday and burial was at the Lyons Cemetery.

Church Alterations Are Completed

Alterations have been completed at the Pahokee Methodist Church for the installation of the new \$4,800 Carnarsa pipe organ which is expected to be delivered May 15. The organ, sponsored by Mrs. R. J. Schroder's Victory Sunday School class, will include a basic organ, violin, flute, chimes and amplifier. Mrs. H. C. Graham will be church organist.

To accommodate the new organ an organ chamber was built above the choir loft and the chancel and platform to the altar was extended to make room for the console. Fluorescent indirect lighting will also be installed in the choir loft. The work was done by Mike Hoprich and Vance Denton under the supervision of N. D. Evans, contractor.

The City Council at a special meeting Tuesday night voted to conduct city official business on daylight saving time, effective Wednesday, May 1. Practically all business houses in this area have also changed over to the new time and will operate their business on EDT through the summer months.

AN ANNOUNCEMENT

PAHOKEE, FLORIDA
APRIL 29, 1946

TO: Each and every VOTER desiring an alert, progressive but stable Pahokee, free from all petty politics and their retarding influences.

FROM: T. C. "Dick" Richardson, Candidate for MAYOR at the election to be held Tuesday, May 7th, 1946.

SUBJECT: A request for your vote and influence for me based on my training and business experience.

I have been a resident of Pahokee for about seventeen years. I have seen its growth, and I have also seen and felt the somnolent condition that has grown with the passing years. Petty politics, apathy, lack of leadership, and the various cliques and factions pulling against each other have brought about OUR present condition. I say OUR, advisedly, for your problem is MY problem, since I derive my income solely from the public—YOU, and whatever I can do to benefit YOU, will also benefit me.

I have based my entire campaign on certain qualifications; a broad but coherent business and technical experience and MATURE JUDGEMENT. In my present work you know me as an accountant and tax specialist handling work for some five or six hundred of you annually. Through that medium, probably more than any other man or group, am I familiar with your needs and problems. Combined with the experience that you KNOW I have, I am also qualified in a field that is distinctly of great aid to those assisting in the administration of municipal affairs—that of a civil engineer which embraces the construction of your streets, sewers and other public utilities. Letters are on file in my office to substantiate this statement.

When all is said and done, all community problems resolve themselves into dollars and cents—\$ & c. Your buildings, your streets, and all other municipal improvements, cost money—My experience in finance, business, taxes, and engineering will enable me to make intelligent recommendations to your Council. With the cooperation of the Council, and yourselves much can be accomplished and many of the things you desire, may be secured. This will be AN ADDITIONAL SERVICE to you entirely separate from the duties of the Mayor which are prescribed by the City Charter.

1. I promise to work constantly to give you the most business-like administration in the history of Pahokee.
2. I promise to try and weld together a city government that will function as a smoothly working unit for the betterment of the town.
3. I will cooperate and assist all individuals and groups in any endeavor, or project, that will prove beneficial to the community as a whole.

The "CITY OF PAHOKEE" is the largest business in the City for the reason that its activities affect the lives of every citizen in its limits. Put is on a firm business-like basis.

On that basis, your vote and influence is solicited and will be appreciated by

Yours respectfully,

T. C. "Dick" Richardson

Jerry Carter, The Man We All Know

As Florida voters scan their ballots in the May 7 primary, it is safe to say that no name on it will be more familiar to the vast majority than that of Jerry W. Carter, candidate to succeed himself on the Railroad Commission, for Jerry has been long acquainted in the by-ways of the state for half a century. Floridians first knew Jerry Carter as a salesman, later as a campaigner for the Democratic party, then as hotel commissioner under three governors and more recently as state-railroad-commissioner for three terms.

Jerry, who came to this boy from his native Alabama, received little formal education for it fell his lot to help support a widowed mother and three children through the panic of 1907

company and a dry goods house. These years drew him in contact with the Democratic leaders of Florida and, after the state campaign of 1916, he was appointed hotel commissioner to build up this branch of the state government. In those years, Commissioner Carter helped lay the foundations for the great tourist trade of today, not only by raising hotel standards, but also by establishing out-of-state agencies to interest people in coming to Florida. Under his regime, the sanitary, building, electrical and plumbing codes for hotels were written and put into effect.

Back into private business for six years after 1923, Jerry was one of the pioneers in airconditioning for the South.

The call of public life was strong, and in 1934 a vacancy occurred on the Florida Railroad Commission, and Carter was elected. He was made chairman in 1931, and in 1939, and again in 1942, was re-elected in each year with large majorities over several opponents. In

1938 he carried 64 out of the 67 counties in the first primary.

Jerry Carter has become generally recognized as a good railroad commissioner, who has been consistently on the side of progress and against stifling monopoly. His name is a legend in Florida politics. No one has ever doubted that he has a genuine love for his fellow man, and the man who invented the word "gregarious" must have had Jerry Carter in mind.

Today, three of his famous seven sons have come back from service during the war, and one of them has made Gainesville his home. Recently Jerry and Mrs. Carter had 23 present at a dinner reunion of their sons, the wives and children. That is the kind of citizenship he believes in, and the results speak for themselves.

Jerry W. Carter is the type of public servant we want on our railroad commission and unless our guess is wrong, the voters are going to put him back there.—Editorial from The Gainesville Sun

Cinematic Chatter

By Malcolm Millar

So impressed am I with the swell entertainment you have coming to you when "Breakfast in Hollywood" has its two-day run at the Prince Theatre that I am devoting my whole column to words of praise for it.

"Breakfast in Hollywood" is the story of a cigarette—the last one in a package and how Tom Breneman's radio show got into a film of the same name.

Edward Goldman, a former New England dentist turned impresario, was enroute home from a late party when he ran out of cigarettes.

"It must have been about 4 or 5 in the morning", Golden explained beaming, "and there I saw a long line of old women waiting. They were nice looking old ladies, too, and just standing there in line."

The Golden curiosity was aroused. He could not imagine why well dressed old women should be queued up along a Hollywood street before the dawn arrived.

"They were waiting for a radio show that began at 8 o'clock," the producer continued. "They even had to pay \$1.25 to get in. Of course, they got breakfast; but what they wanted was to see Tom Breneman."

"Well, I found that that went on every morning. Old women lined up for blocks and every morning the same thing."

"Then I found out that 35 million people listen to this broadcast every week. That was enough for me. I bought the show for a picture."

It was quite a job to write a story about a program where a middle-aged man tries on funny hats and gives an award to the woman wearing the funniest, where one lucky woman is awarded a wishing ring, where the oldest woman wins an orchid, and where a prize is also given for goon neighborliness.

"My son Bob, who always gets mad when I give him a title, is getting to be pretty good as a producer of pictures," Golden said. "But we had an awful time getting a story for that picture. Earl Bakshwin finally wrote one for us; and I think he did a fine job. We've got it all in with Buelah Bondi, as the oldest woman, Hedda Hopper as the one with the funniest one, and Bonita Granville as a young girl. Others in the cast are Billie Burke, Edward Ryan

and Raymond Walburn. "I think we've got a good story too."

And, folks, Mr. Golden is right! They have a swell story and I know that you will sit through ninety minutes of the most delightful and unforgettable entertainment of your life time when

you see "Breakfast in Hollywood." See you at the movies—Mal.

Russell O. Morrow In Representative Race

Russell O. Morrow, who is a candidate for the Legislature, has been a resident of Palm Beach County for twenty-seven years. His father, Mr. B. L. Morrow, worked with Bryant & Greenwood, which later became Bryant and Anderson, who constituted the Palm Beach Farms Company and did a great deal in the early development of Palm Beach County. Russell was reared in Palm Beach County and attended the public schools of the county. After finishing high school he attended Washington and Lee University, from which he received both Bachelor of Arts degree and Bachelor of Law degree. He was admitted to the practice in the courts of Florida in 1933 and has maintained his offices in the Comeau Building, West Palm Beach, since 1936, except for the time he was in the military service. He served as Chief Deputy Clerk of the Criminal and County Court of this county during 1935 and a portion of 1936. He was elected to the State Legislature first in 1936, being successful over three opponents, and served his first term in the Legislature Session of 1937. He was returned to the Legislature in 1939 and 1941 without opposition and was holding office as State Representative in the spring of 1942, when he volunteered for military service. During his three terms he served energetically and most constructively and gained state wide reputation as an excellent Legislator.

After he had volunteered for service in the United States Navy, and while awaiting orders, he was honored by being given an interim appointment by Governor Holland as State Attorney of the 15th Judicial Circuit. He served in this capacity for seven weeks, when he received order to active duty.

He spent more than three and a half years of service in the United States Navy, much of which was under combat conditions. At the completion of the war he had become authorized to wear the American, the Asiatic-Pacific and Philippine Liberation ribbons and six battle stars.

He and his former partner, Charles E. Fulton, who also served in the United States Navy, reopened their law offices and are again practicing in their former location.

VISITS NEPHEW

Mr. and Mrs. Lloyd Hundley and son, Johnny, motored to Lake Worth Sunday to visit Mr. Hundley's nephew, Master Sergeant Wayne S. Reida, who was recently transferred from Denver, Colo., to Boca Raton where he will take a study course for the next few weeks. Sgt. Reida has been in the service six years and was stationed in Alaska for 30 months.
